

JUSTIN MINUE KIM, Ph.D.

Department of Psychology, Sungkyunkwan University
 25-2 Sungkyunkwan-ro, Faculty Hall 40303
 Jongno-gu, Seoul, South Korea 03063
 Tel: +82-2-760-0693
 Email: minuekim@skku.edu
 Lab Website: <https://www.affectiveneurosciencelab.com/>

ACADEMIC APPOINTMENTS

Sungkyunkwan University , Seoul, South Korea Assistant Professor, Department of Psychology	2020-present
Institute for Basic Science , Suwon, South Korea Assistant Professor, Center for Neuroscience Imaging Research	2020-present
University of Hawaii at Manoa , Honolulu, HI Assistant Professor, Department of Psychology	2018-2020
Korea Military Academy , Seoul, South Korea Assistant Professor, Department of Psychology	2012-2014
Korea Military Academy , Seoul, South Korea Lecturer, Department of Psychology	2011-2012

EDUCATION

Duke University , Durham, NC Postdoctoral Associate, Department of Psychology and Neuroscience	2016-2018
Dartmouth College , Hanover, NH Ph.D. in Psychological and Brain Sciences	2006-2017
Seoul National University , Seoul, South Korea M.A. in Clinical Psychology	2004-2006
Seoul National University , Seoul, South Korea B.A. in Psychology, <i>summa cum laude</i>	2000-2004

HONORS AND AWARDS

Faculty Research Travel Fund Award, Office of the Vice Chancellor for Research, UH Manoa	2019
College of Social Sciences Travel Funds for Professional Development in Research, UH Manoa	2019
Hannah Croasdale Award for Academic Excellence, Dartmouth College	2017

<i>College-wide award to the graduating Ph.D. student who best exemplifies the qualities of a scholar</i>	
William M. Smith Promise Award in the Brain Sciences, Dartmouth College	2017
Society for Neuroscience (SfN) Trainee Professional Development Award	2015
Outstanding Books in Basics Sciences Award, National Academy of Sciences, South Korea	2014
<i>Sul & Kim (2013): Korean Translation of Sober & Wilson (1998) "Unto Others"</i>	
Behavioural Brain Research Editors' Choice Award (Kim et al., <i>Behav Brain Res</i> , 2011)	2012
Cold Spring Harbor Laboratory Workshop on Biology of Social Cognition Fellowship	2012
Sackler Summer Institute in Developmental Psychobiology, Weill Cornell Medical College	2010
Summer Institute in Cognitive Neuroscience Fellowship, UCSB	2009
Wisconsin Symposium on Emotion Travel Fellowship, HealthEmotions Research Institute	2007

FUNDING

Awarded

CSS Research Support Award	2019-2020
College of Social Sciences, University of Hawaii at Manoa	
<i>Model-based approach on assessing individual differences in affective processing style</i>	
Role: Principal Investigator	
SEED Inclusion, Diversity, Equity, Access and Success (IDEAS) Grant	2019
Office of Student Equity, Excellence and Diversity, University of Hawaii at Manoa	
<i>Cultural and affective neuroscience colloquium</i>	
Role: Principal Investigator	
Gartley Faculty Seed Award	2019
Department of Psychology, University of Hawaii at Manoa	
<i>Individual differences in the sensitivity to contextual cues during valence computation</i>	
Role: Principal Investigator	
Ruth L. Kirschstein National Research Service Award Predoctoral Fellowship	2014-2016
NIMH F31MH090672 (*originally awarded in 2010)	
<i>Amygdala-prefrontal interactions when interpreting ambiguous facial expressions</i>	
Role: Principal Investigator	
ROK Army Hwarang-dae Research Institute Military/Academic Research Grant	2012
12-GUNHAK-06	
<i>The effects of amygdala activity on decision making performance in threat situations</i>	
Role: Collaborator (P.I.: Yangho Moon)

Computational meta-analysis of statistical parametric maps in major depression. *British Association for Psychopharmacology*, Cambridge, UK.
- Chey J, Song H, Suk J, **Kim MJ** (2013). The proportional reasoning test: A novel assessment tool for Alzheimer's disease and frontotemporal dementias. *Alzheimer's Association International Conference*, Boston, MA.
- Kim MJ**, Gee DG, Loucks RA & Whalen PJ (2010). Anxiety modulates resting state functional connectivity of the amygdala and the medial prefrontal cortex. *Cognitive Neuroscience Society*, Montreal, Canada.
- Neta M, **Kim MJ**, Norris CJ & Whalen PJ (2009). Neural substrates of ambiguity resolution: Individual differences in response to surprised facial expressions. *Society for Psychophysiological Research*, Berlin, Germany.
- Chey J, **Kim MJ**, Shin K, Lee J, Shin M & Byun H (2009). The neural correlate of cognitive reserve. *International Neuropsychological Society*, Helsinki, Finland.
- Kim MJ** & Whalen PJ (2009). Amygdala reactivity and anxiety predict the structural integrity of an amygdala-prefrontal pathway. *Third Annual Tufts University Conference on Emerging Trends in Behavioral, Affective, Social, and Cognitive (BASC) Neurosciences*, Tufts University, Medford, MA.
- Chey J, **Kim MJ**, Shin K & Shin M (2008). The neural correlate of cognitive reserve: the role of precuneus in preventing dementia. *Society for Neuroscience*, Washington DC.
- Davis FC, **Kim MJ**, Mazzulla EC, Oler JA & Whalen PJ (2008). Effects of temporally unpredictable contexts on facial expressions of emotion. *Cognitive Neuroscience Society*, San Francisco, CA.
- Chey J & **Kim MJ** (2005). Reduced posterior parietal gray matter volumes are associated with illiteracy and poor cognitive functioning in nondemented elderly individuals. *Society for Neuroscience*, Washington DC.

Symposia

- Kim MJ** (2020). Individual differences in the sensitivity to contextual cues during valence computation. Member-Initiated Symposium: The Behavioral-Neural-Genetic Basis of Individual Differences in Socioemotional Experience: From Laboratory to Everyday Life. *Korean Society for Cognitive and Biological Psychology*, Virtual Conference.
- Kim MJ** & Shin J (2019). Individual differences in the sensitivity to contextual cues during valence computation. Thematic Flash Talks: Cognitive and Computational Approaches. *Society for Affective Science*, Boston, MA.
- Elliott M, Knodt A, Cooke M, **Kim J**, Melzer T, Keenan R, Ireland D, Ramrakha S, Poulton R, Caspi A, Moffitt T & Hariri A (2019). General Functional Connectivity: Shared features of resting state and task fMRI drive reliable and heritable individual differences in functional brain networks. *Society of Biological Psychiatry*, Chicago, IL.
- Kim MJ**, Brown AC, Mattek AM, Jacobs SN, Taylor JM, Palmer AL & Whalen PJ (2015). The structural integrity of white matter fiber pathways between the amygdala and the lateral orbitofrontal cortex inversely predicts trait anxiety. Nanosymposium: Individual Differences. *Society for Neuroscience*, Chicago, IL.
- Kim MJ** & Whalen PJ (2015). The integrity of amygdala-prefrontal circuitry: From normal emotion to pathological anxiety. Symposium: Extreme Anxiety Reflects Aberrant Functional Connectivity in Prefrontal-Amygdalar Networks. *Anxiety and Depression Conference*, Miami, FL.
- Kim MJ** & Whalen PJ (2014). The integrity of amygdala-prefrontal circuitry: From normal emotion to pathological anxiety. Symposium: Using Affect Labeling and Mindfulness to Improve Treatment Outcome for Anxiety Disorders: Translating Neuroimaging Research to Improved Treatment Outcome. *Association for Psychological Science*, San Francisco, CA.
- Kim MJ**, Sul S & Moon Y (2014). The impact of perceiving angry and fearful facial expressions on decision making performance in threat situations. Symposium: Cognitive Neuroscience Research on Emotion. *Korean Society for Cognitive and Biological Psychology*, Buyeo, South Korea.
- Kim MJ**, Gee DG, Loucks RA, Davis FC & Whalen PJ* (2010). Anxiety dissociates dorsal and ventral medial prefrontal cortex functional connectivity with the amygdala at rest. Nanosymposium: Prefrontal-Subcortical Interactions in Health and Disease. *Society for Neuroscience*, San Diego, CA (*presented by Paul J. Whalen).
- Davis FC, **Kim MJ**, Neta M, Hariri AR & Whalen PJ (2010). Negative appraisal of ambiguous social cues: Effects of temporal unpredictability & genetic background. Symposium: Better (or Worse) for Some Than Others: Individual Differences in Emotional Biases. *Society for Psychophysiological Research*, Portland, OR.
- Kim MJ** & Whalen PJ (2008). Amygdala reactivity to fearful faces and trait anxiety are associated with the structural integrity of an amygdala-prefrontal pathway. Nanosymposium: Human Affective Processing. *Society for Neuroscience*, Washington DC.

INVITED TALKS

Sungkyunkwan University - Department of Biomedical Engineering	Oct 2020
University of Zurich - Neuroeconomics Seminar	April 2020
C-NIR, IBS & Sungkyunkwan University - Cognitive Neuroscience Symposium	July 2019
Seoul National University - Neuroimaging Workshop	July 2019
Pusan National University - Neuroimaging Workshop	July 2019
John A. Burns School of Medicine - Strategic Planning Retreat	Oct 2018
Georgetown University - Laboratory on Affective & Social Neuroscience (Abigail Marsh)	Apr 2018
Northwestern University - Department of Psychology	Jan 2018
Korea University - Department of Psychology	Dec 2017
Seoul National University - Psychology Department Colloquium	Dec 2017
Daegu-Gyeongbuk Medical Innovation Foundation - Brain Imaging Workshop	Aug 2017
Columbia University - Monday Seminar Talk Series	Feb 2017
University of Michigan, Ann Arbor - Department of Psychology	Nov 2016
Pusan National University - Psychology Department Colloquium	Aug 2016
Yonsei University - Psychology Department Seminar Series	Oct 2012
Korea Military Academy - Hwarang-dae Research Institute Seminar Series	Sept 2012
Yonsei University College of Medicine - MoNET Lab (Hae-Jeong Park)	June 2012
The Korean Society for Cognitive Science Annual Spring Conference - Methods Tutorial	June 2012
Korea University - Functional MRI Workshop Series	Feb 2012
Korea Military Academy - Department of Psychology	Aug 2011
Korea University - BK21 Seminar Series	July 2010
Seoul National University College of Medicine - Department of Psychiatry	July 2010
Seoul National University - Clinical Neuroscience Lab (Jeanyung Chey)	July 2010
Dartmouth College - Social Brain Science Brownbag Series	Feb 2010
Martinos Center for Biomedical Imaging, MGH - Brain Mapping Seminar Series	Feb 2010
Dartmouth College - fMRI Brownbag Series	Aug 2009
Dartmouth College - Social Brain Science Brownbag Series	Aug 2008
University of Vermont - Vermont Summer Summit on Learning and Memory	Aug 2007

TEACHING AND MENTORING

Courses Taught

Sungkyunkwan University

Brain and Mind (PSY 3040)	Fall 2020
Cognition and Emotion (PSY 5010)	Fall 2020

University of Hawaii at Manoa

Psychology of Emotion (PSY 324)	Spring 2020, Fall 2018
Advanced Topics in Psychobiology: Affective and Social Neuroscience (PSY 439)	Spring 2020, 2019
Introduction to Psychobiology (PSY 230)	Fall 2019
Seminar in Physiological Psychology: Affective and Social Neuroscience (PSY 731)	Fall 2019
Survey of Psychology (PSY 100)	Spring 2019

Korea Military Academy

Introduction to Psychology	Fall 2013, 2012, 2011, Spring 2013
----------------------------	------------------------------------

Research Methods in the Social Sciences	Spring 2013
Leadership	Spring 2012

Teaching Assistantships

Dartmouth College

Experimental Design, Methodology, and Data Analysis Procedures (PSYC 10)	Spring 2009
Laboratory in Psychological Science (PSYC 11)	Spring 2008, Summer 2007
Physiological Psychology (PSYC 26)	Winter 2007

Seoul National University

Neuropsychological Assessment	Fall 2005
Psychopathology II	Fall 2004

Guest Lectures

Thinking and Decision Making - “Emotion and the Brain” Department of Psychology, Korea University, Seoul, South Korea	Fall 2012
--	-----------

Physiological Psychology - “Emotion, Aggression and Stress” Department of Psychological and Brain Sciences, Dartmouth College, Hanover, NH	Winter 2008
---	-------------

Clinical Neuropsychology - “Basics of functional magnetic resonance imaging” Department of Psychology, Seoul National University, Seoul, South Korea	Spring 2005
---	-------------

Mentoring

Undergraduates

Current: Nayoung Kim (SKKU), Wonyoung Kim (SKKU)

Past: Jordan Shimabukuro (UHM), Arlene Chan[§] (UHM), Marina Matsui (UHM), Shira Wald (UHM), Nichole Palmer (UHM), Su Gyeong Kim (UHM), Lorie Okada (UHM), Nicole Russo[§] (UHM), Meriwether Morris (Duke), Jin Shin (Dartmouth), Kimberly M. Solomon (Dartmouth), Randi H. Bennett* (Dartmouth), Diana Dinescu (Dartmouth), Dylan G. Gee* (Dartmouth)

[§]Winners of the Undergraduate Scholarships for Academic Excellence

*Winners of the Benjamin G. Benner 1969 Award for Excellence in Psychology Research

Thesis/Comprehensive Exam Committees

Comprehensive Exam: Heewon Kwon (UHM)
Senior/Honors Thesis: Alysia Berglund (UHM)

PROFESSIONAL SERVICE AND ACTIVITIES

Professional Service

Chair, Society for Affective Science’s Website Committee	2019-present
--	--------------

Ad hoc Reviewer, U.S. Army Natick Soldier Center Scientific Review Committee 2016
 Assistant Editor, The Korean Journal of Industrial and Organizational Psychology 2011-2013

Faculty and Departmental Committees

CNS Colloquium Committee (co-chair), Department of Psychology, UH Manoa 2020
 Diversity Committee, Department of Psychology, UH Manoa 2019-2020
 Psychology Undergraduate Studies Committee, Department of Psychology, UH Manoa 2018-2020
 Dai Ho Chun Distinguished Chair Host Committee, UH Manoa 2018
 Hanai Mentor, Hanai Host Family Program, UH Manoa 2018

Editorial Board/Consulting Journal Editor

Editorial Board Member, *Scientific Reports* 2019-present

OTHER RESEARCH AND CLINICAL EXPERIENCE

Stanford University, Palo Alto, CA 2006

Volunteer Research Assistant, Department of Psychology

Supervisor: Ian H. Gotlib

Research Experience: *Voxel-based morphometric brain analyses in subjects with and at-risk of major depressive disorder, bipolar disorder, and social phobia*

Seoul National Mental Hospital, Seoul, South Korea 2003-2004

Volunteer Research Assistant, Department of Psychology

Supervisor: Haejoo Yoon

Clinical Experience: *Recruiting and clinical testing of elderly patients with Alzheimer's disease, schizophrenia, and bipolar disorder*

Seoul National University College of Medicine, Seoul, South Korea 2002-2005

Senior Research Assistant, Department of Psychiatry

Supervisor: In Kyoon Lyoo

Research Experience: *Brain imaging studies of posttraumatic stress disorder patients of Taegu subway fire*

McLean Hospital, Harvard Medical School, Belmont, MA 2002

Volunteer Research Assistant (Jan-Feb 2002, Jun-Aug 2002), Brain Imaging Center

Supervisor: Perry F. Renshaw

Research Experience: *Voxel-based morphometric and region-of-interest brain analyses in patients with bipolar disorder*
